

## ***“The Laurels”***

Sometimes our Heavenly Father puts us where He wants us to be,  
In December 2011 that is exactly what happened to me!  
I had surgery on my right hip again,  
However, the place where I wanted to do rehab wouldn't let me in.

Despite other options from Mission's hospital staff,  
I became closed minded, went home and ended up on my ass!  
Thank God for bringing me back to my senses,  
Really I had no other choice... in my mind I heard a powerful voice.

“Give The Laurels a try... it's where you need to be.”  
So the very next morning I prayed it wasn't too late for me.  
The administrators there said, “We've got a bed for you,  
Come on in, meet our staff and let us help rehabilitate you.”

And that is what I did, and I'm glad to this day.  
Because the staff at The Laurels treated me like fam-i-ly!  
The nurses; CNA's; housekeeping and especially P.T.

Thanks to The Laurels of Summit Ridge,  
I'm getting stronger each and every day.  
And if I had surgery again tomorrow,  
I wouldn't choose any other place!

Bless you all...
